Zwei auf einer Bank

A musical encounter with Katharina Thalbach and
Andreja Schneider and the Christoph Israel Quartet
Music Show

November 04 to 18, 2020, 8 pm, Sun 7 pm

Katharina Thalbach is a firmly established icon in the theatre, opera and film scene as an actress and director; Andreja Schneider is a firmly established icon of the Bar jeder Vernunft as an actress and singer. Together they present the classic "Boy Meets Girl" plot as the beginning of a love story. One evening on her way home, the positive, carefree, forever young Loreley (Schneider) spontaneously prevents the greasy, depressed Joachim (Thalbach) who is tired of life and love from jumping off a bench.

The Christoph Israel Quartet accompanies them beautifully and subtly, leading with the harp and piano. They sing German folk songs, pop songs, verses and operetta melodies alone, in pairs and together as a duet. Loreley cannot iron, but she can kiss and Joachim discovers new passions!
